

Source in China. Move with clarity.

Groundline Sourcing helps international buyers find suppliers, compare options, coordinate samples and check orders before shipment - with a written scope and direct factory payments.

A CLEAR PLACE TO START

**One brief.
One local contact.**

Stay informed from the first supplier shortlist to the final handoff.

Choose the support you need

Current introductory rates

01

Product sourcing

Supplier search, option comparison, quotation support and sample coordination for a defined product brief.

4% of order value
\$40 minimum

02

Pre-shipment inspection

On-site checks against your approved requirements, supported by dated photos, measurements and a written report.

\$30 per inspection day

03

Monthly sourcing partner

Ongoing coordination for buyers who source regularly and need one point of contact across active orders.

\$150 per month

Final scope, deliverables and third-party costs are confirmed in writing before work begins.

From brief to handoff

1

Define

Share product, quantity, budget and timing.

2

Compare

Review suppliers, quotes and key trade-offs.

3

Verify

Coordinate samples or inspect against your brief.

4

Handoff

Coordinate packing, documents and your forwarder.

What you receive

- ✓ A written scope before work starts
- ✓ Clear supplier and quote comparison
- ✓ Photo-backed inspection evidence
- ✓ Direct updates and next-step guidance

You stay in control

Approve suppliers, samples and orders.

Pay factories directly

Groundline does not hold product funds.

Evidence over promises

Decisions supported by documented checks.

Send a product brief

Include the product specification, target quantity, target price, destination and ideal deadline. We will use it to define the right starting scope.
